

**ONE DAY NATIONAL SEMINAR
ON
FOOD SECURITY AND SUSTAINABLE DEVELOPMENT
ON 19TH SEPTEMBER, 2019
DR. SSBUI CET, PANJAB UNIVERSITY, CHANDIGARH**

Dr. S.S.BUI CET is organizing one day national seminar on “**Food Security and Sustainable Development**” on 19th September, 2019. On this occasion abstracts are invited for poster presentation.

About the Seminar:

India has achieved commendable progress in food production since the start of the green revolution in early 1970s. India produced about 295 MT food grain, 298 MT horticulture crops and 176 MT Milk in 2016. Nevertheless there is, an ever rising gap between production and demand of oilseeds and pulses. The post-harvest losses are high and there is an urgent need to minimize these. In spite of such increased agricultural production, high levels of malnutrition is still prevalent. India is a fast growing population, which is expected to exceed China's population by 2025. The situation arising out of significant food production, higher post-harvest losses and high degree of under-nutrition and malnutrition calls for an urgent review of all aspects of food production, processing and distribution so as to work towards a sustainable and integrated food and nutrition security net for all. To address and deliberate on the emerging issue of national importance, Dr. SSBUI CET, Panjab University proposes to organize a one day National Seminar on “**Food Security and Sustainable Development**” on 19th September, 2019 at 10:00 am. The seminar is being organized with the financial assistance of SAP, UGC, New Delhi.

About the department

Dr. SS Bhatnagar University Institute of Chemical Engineering and Technology (SSBUICET) (formally known as Department of Chemical Engineering and Technology (DCET)) was established in 1958 in collaboration with Illinois Institute of Technology, Chicago. Undergraduate programme in Food Technology was introduced in 1999 and in 2008, integrated programme of Bachelors degree in Chemical Engineering with MBA was introduced. In addition, Panjab University has been offering Master's and Doctoral program in Chemical Engineering; Food Technology; etc. The institute has been granted numerous projects from UGC, CSIR, AICTE, TEQIP, DST ICAR, MOFPI, etc.

The vision of SSBUICET is to achieve national and international recognition fulfilling our University's proud historical mission through excellence in teaching, research and service.

Abstract Submission: Authors are invited to submit poster abstract within 250 words. The abstract should contain one title, authors name, highlighting the presenting authors name, affiliation and the mater typed in 12 font; Times new roman. It is mandatory for one of the authors to register and present the paper.

Send abstract at the following mail address foodseminar19@gmail.com

For Clarification Contact: 09872749308, 09876666511

Important Dates for Authors for poster presentation:

Last date for abstract submission: September 11th, 2019

Intimation of acceptance of abstract: September 12th, 2019

Last date of Registration: September 12th, 2019

Registration is free of cost. Spot registration will not be entertained and maximum 40 number of abstracts will be selected for poster presentation on first come first serve basis.

Three best posters will be selected for oral presentation.

No accommodation will be provided.

**ONE DAY SAP SPONSORED NATIONAL SEMINAR ON
“FOOD SECURITY AND SUSTAINABLE DEVELOPMENT”
AT DR. SSB UICET, ON 19TH SEPTEMBER, 2019
REGISTRATION FORM**
